GREAT AMERICAN
ROOFING COMPANY

SERVING YOUR COMMUNITY SINCE 2014

As a family-owned and operated business, we at Great American Roofing Company of Florida are sensitive to the concerns our customers have regarding unnecessary contact with others.

Many of our new customers have called us this year with the same dilemma: “My roof needs to be replaced, but how can I get an accurate quote without inviting someone into my home?” In response, Great American roofing company is now offering Virtual Consultations.

Using tools such as Facetime or an exchange of photos/video messaging, Great American roofing company will provide you with an accurate quote along with a full explanation of the roof system, warranty, and installation method.

Simply call us at 1-866-276-6335 or fill in the Request a Free Quote box with your information and request a Virtual Consultation.

Your consultation will likely be held within 24 hours of your request. We’re here for you! For the past 10 years, Great American Roofing Company has been the local roofer focused on developing a long-term relationship with our customers, understanding their needs and goals, and then planning the proper course of action.

ABOUT US

AWARD-WINNING

From humble beginnings in the early 1990s, Great American Roofing Company has grown into a team of more than 20 professionals all eager to serve florida homeowners and property owners with honest, reliable service and only the highest quality roofing materials and installation practices.

The largest roofing manufacturer in Florida, has certified us as a Master Elite® Roofing Contractor — which means our company ranks among the top 2% of roofers in the U.S., capable of any job and guaranteeing your satisfaction with your new or repaired roof. We're dedicated to establishing long-term relationships with our customers.

In fact, Great American Roofing Company has such a solid record of customer excellence, we were awarded prestigious in 2014, indicating dependability and a long history of customer satisfaction with our people and the products we install.

OUR APPROACH

Your roof is your safety, security and shelter, and we don't blame you for expecting only the best roofing contractor out there, professionals you can trust with your home or your business. It's one reason Great American Roofing Company never uses subcontractors, only our own highly trained employees.

This is why we not only promise you the best advice in committing to an installation or repair service, but we commit to a tidy worksite with a quicker clean-up time and less disruption to your daily routine. Finally, Great American Roofing Company trusts that you'll be pleased with your roof replacement, repair or restoration when it's complete, therefore we do not collect a deposit up front. The payment is due upon project completion, not before.

OUR SERVICES

01 Installation and Replacement

- **New Roof Installation** – For new constructions or structures.
- **Roof Replacement** – Removing the old roof and installing a new one.
- **Re-Roofing** – Adding a new layer of shingles over an existing roof (if feasible).

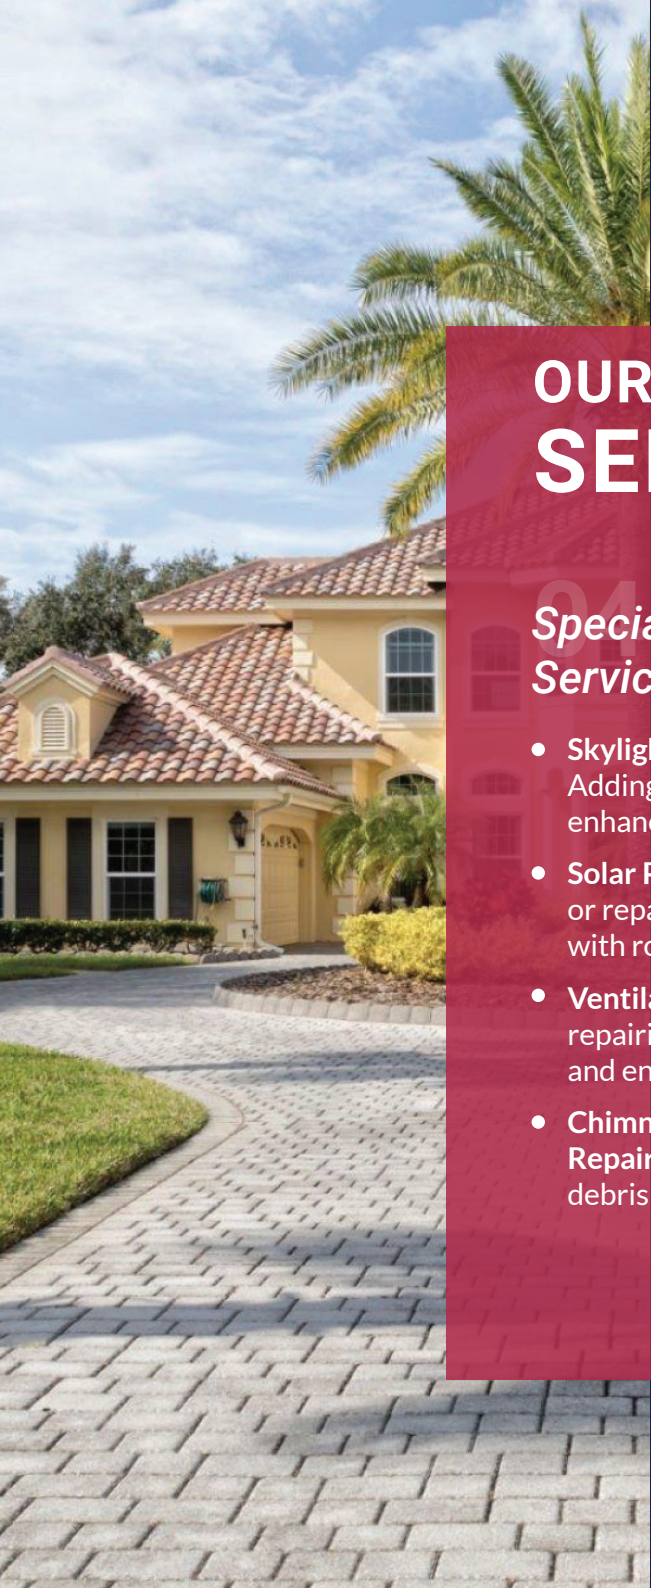

02 Repairs and Maintenance

- **Leak Repair** – Fixing leaks caused by damage or wear.
- **Shingle Repairs** – Replacing or fixing damaged or missing shingles.
- **Storm Damage Repair** – Repairing wind, hail, or debris damage.
- **Flashing Repairs** – Fixing the metal used around vents, chimneys, or skylights to prevent leaks.
- **Roof Cleaning** – Removing moss, algae, debris, or dirt.
- **Gutter Maintenance and Repair** – Cleaning, repairing, or replacing gutters and downspouts.

03 Roof Inspections and Certifications

- **Roof Inspections** – Assessing the roof's condition for maintenance or prior to selling a property.
- **Insurance Inspections** – Providing detailed reports for insurance claims.
- **Roof Certifications** – Verifying the roof's lifespan for real estate transactions.
- **Roof Insurance Claims** – We specialize in filing roof insurance claims for weather and storm damage.

OUR SERVICES

Specialty Services

- **Skylight Installation and Repair** – Adding or fixing skylights to enhance natural light.
- **Solar Panel Installation** – Installing or repairing solar panels integrated with roofing systems.
- **Ventilation Services** – Installing or repairing vents to improve airflow and energy efficiency.
- **Chimney Cap Installation and Repair** – Preventing water or debris from entering the chimney.

Roofing Material Services

- **Asphalt Shingle Roofing** – The most common residential roofing material.
- **Metal Roofing** – Installation or repair of durable metal roofs.
- **Tile Roofing** – Working with clay, concrete, or slate tiles.
- **Flat Roofing** – Installation and maintenance of flat roofs for commercial buildings.
- **TPO, EPDM, or PVC Roofing** – For commercial or industrial flat roofs.

Emergency Services

- **24/7 Emergency Repairs** – Immediate fixes for severe leaks or storm damage.
- **Tarp Installation** – Temporary covering to protect the roof until repairs are completed

RESIDENTIAL ROOFING

For your residential roof repair or roof replacement needs, Great American Roofing Company offers expert contractors and time-tested products. Our contractors are trained professionals who ensure quality work on every project.

In addition to the trained experts working on your roof, every component of the roofing system used by Great American Roofing Company has been awarded the Good Housekeeping Seal of Approval.

As a Great American Roofing Company has provided proof that we are properly licensed by the state of Florida to perform the roofing work.

Great American Roofing Company has a proven reputation for providing quality roofing services to the communities we serve. Our customers have trusted us since 2014.

Our team is committed to ongoing professional training to stay up on the latest industry developments. We are confident you'll be satisfied with our services.

COMMERCIAL ROOFING

Great American Roofing Company specializes in all types of roofing installation, including complex commercial roofing projects. We understand the diversity of commercial roof systems, and we are certified by the leading manufacturers of commercial roofing material to install their products.

Contact us for more detailed information on the roofing material and the brands we use. We would be happy to design a roof that is perfectly matched to your commercial structure.

Our certified contractors offer expertise in several commercial roofing options, including single-ply roofing, modified bitumen and liquid-applied roofing.

Your business needs to keep operating during the roofing process. We work to minimize the inconvenience of roof installation to your staff and customers.

We can use our 10 years of experience working with insurance companies to help you navigate a commercial insurance claim in the event of storm damage.

OUR MATERIALS

Great American Roofing Company selects only the highest quality products available in the roofing industry. We have chosen a leading roofing system provider to ensure the best quality and durability for your roof. This provider offers the most advanced roofing system products as well as the most innovative technologies available.

Your choice of roofing material is an important decision when protecting your home from the elements, bringing out the beauty, and determining the useful service life of your roofing system. Tailored to your specifications, each roof is available with Lifetime Warranty options and in dozens of styles and colors.

OUR PEOPLE

Our highly skilled, certified crews are technically trained to install each roofing system in a way that ensures top quality and adherence to manufacturer standards.

Ongoing training of certified roofers ensures that these professionals are up-to-date on roofing standards, and that your roofing project will be completed with excellence.
